

Nova Scotia SPCA

“In December 2019, there were three new litters of puppies born and we ended up having 53 dogs in our care! Thanks to the support of donors, and being able to offer an easy way for them to give via text message, all the pups and dogs received the medical care, intense rehabilitation, and love they needed. They now have a second chance at a safe, happy, and healthy life.”

- Taylor Mundy,
Provincial Fund Development Coordinator

The Nova Scotia SPCA had their most successful mobile giving campaign to date by raising more than \$26,000 in just **3 days** using the \$20 donation amount. They were able to quantify the donation amount by letting donors know exactly how their donation would help the cause.

About the Nova Scotia SPCA

Proudly following open-admission and no-kill principles, the Nova Scotia SPCA is a registered charity that helps companion animals in need. Every year, more than 16,000 pets are helped through animal rescue, progressive programs, and rehoming opportunities. Some pets were abandoned, injured, homeless or abused but they all deserve a second chance.

We work one-on-one with them to rebuild their trust, fully vet them so they are safe and healthy, and give around-the-clock care until they find their forever family.
